

TRAINING IN REAL CLASSROOMS

Joining The Solent SCITT will put you in a real classroom from day one helping you to gain experience and practise your skills alongside expert teachers.

TRAINING FOR EVERYONE

Everyone brings their own qualities and experience into teacher training so if you are a recent graduate, a TA, LSA or considering a career change, you are welcome to join us.

SUPPORT AND GUIDANCE

Support is vital during training and we pride ourselves on going the extra mile. SCITT graduates past and present have praised our support. Read some primary and secondary case studies to find out more.

"Everyone on the team goes out of their way to ensure that training is as smooth as it can be."

Emily Hughes - SCITT Biology Trainee 2019/20
